

I Don't Wanna Go

Music Morten Lunn & Laust Nielsen
Lyrics Morten Lunn

Then you wanna be good
But be allowed to do wrong
Then you want a home
But you can't stay too long.
You've never been better
Then you say you're down
You say you're lonely
But you want no one around
Then you wanna be a dancer - but you
But you don't know any beat
Then you wanna be in power
But you don't really want to lead
You say you like contradiction
You just want things to be straight
Then you wanna lay down
Where you just have laid
Then you wanna get higher
Then you want to get real
Then you wanna get low down
Just to get a deeper feel

**I don't wanna go
Where ever you wanna go.**

You want to be a believer
In what you don't know
You want to leave here
You don't know where to go
You wanna be outrageous
But with a smile
You wanna stay
But just for awhile
Then you want to be a saint
But still you wanna sin
You wanna act an angel
But don't know where to begin
Then you want to be a hero
But you don't know how to
You want to make a change
But you don't know what to do
You want to be a lover
To be the only one
You'll stay forever
But then you call it gone

I don't wanna go...

Then you wanna go left
Then you want to go right
You want kindness

Then you want to fight
You say you're a rebel
While you follow every rule
You want to be emotional
While staying cool
Then you claim you've found the truth
You're no longer in doubt
You'd like to shout it from the rooftops
Just not too loud
-Then you wanna be outside
Then you wanna go inside
Then you wanna be like everyone
Then you wanna be the only one

I don't wanna go...
