

## **I don't Know**

*Music and Lyrics Morten Lunn*

I don't know just  
What I got, what I  
Got from you, baby  
Ain't a lot, and  
You may tell me 'bout your  
Other man - that he  
Does things to you, baby  
That I can't, and he:  
Sing some songs in a  
Rocking band, and he:  
Moves his guitar right  
By his hand, and  
Not only that he's got under  
Full command - and:  
If I knew then I would understand

Kings may be come and  
Kings may go, but  
What they did no one will  
Never know, so  
You may tell me 'bout your  
Other man - that he  
Does things to you, baby  
That I can't

And he  
Sing some songs, that I  
Just don't know, and he  
Play his music takes you  
Really low, and he  
Goes some places, where I  
Just can't go  
And he  
Shows you things whereas I  
Wouldn't show  
And he  
Does you things that I'd  
Never do, but  
I may wonder if I could do them too

/:Well, I don't know just  
What I got  
What I  
Got from you, baby  
Ain't a lot:/  
You may tell me 'bout your  
Other man - that he  
Does things to you, baby  
That I can't
